

Icao Doc 7192 D3

Chapter 1 : Icao Doc 7192 D3

A flight dispatcher (also known as an airline dispatcher, flight follower or flight operations officer) assists in planning flight paths, taking into account aircraft performance and loading, enroute winds, thunderstorm and turbulence forecasts, airspace restrictions, and airport conditions. This online or traditional classroom based course prepares flight dispatcher school students to take the written, oral, and practical exams leading to issuance of an aircraft dispatcher license.
